BECAUSE OF JESUS …

SYFC

Swindon YOUTH FOR CHRIST

Regularly reaching over 200 young people through schools work and sports projects, Swindon Youth for Christ love to partner with churches to reach their local communities with the good news of the Gospel. God has been blessing the work in incredible ways, opening so many doors and bringing dozens of young people to our activities where we always have conversations about the meaning of life, the place of faith in a secular culture, and of course what kind of chocolate bars are the best!

WAYS TO PRAY: As the new school term starts, there are lots of new connections being made to further the ways we are involved in secondary schools – currently we have weekly input in 9 different schools around the town. Pray that these opportunities are fruitful for the gospel and we can deepen our connections. Pray for the detached sports work around the town and for new gap-year interns starting this month.

Follow our prayer diary https://swindon.yfc.co.uk/pray/ for day to day requests.

Finally, there are so many things to be involved in practically! Grab Sarah and ask her how to be a part of this amazing work; from opportunities in mentoring to cake making for events, there's plenty of ways to join in.
